Street Survey Results

136 surveyed/Summer 2012

As a key organizer for OG's N Service Association and a resident of the Downtown Community of **Skid Row**, I BELIEVE that we should review the "ideas and opinions" of community residents and stake holders. THE OPERATION FACE-LIFT SURVEY was conducted for the below purposes.

- (1) To make certain that the community had an opportunity to make comments.
- (2) To present a list of ideas and concepts that could be reviewed and voted upon.
- (3) To determine what was acceptable and what was not acceptable by community residents.

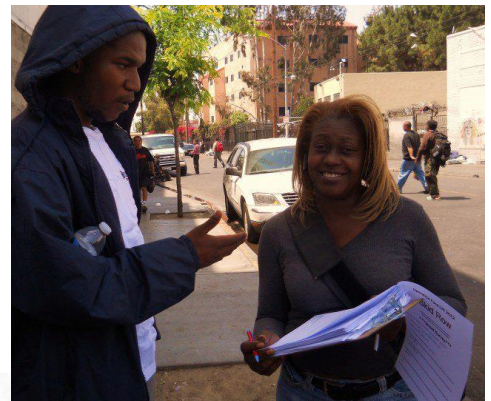

In finishing this survey, the Skid Row Brigade will lobby for each and every item listed.
